

# HDAW1100M36S3

1Megapixel 720P Water-proof HDCVI IR Eyeball Camera

## Features

- 1/3" 1Megapixel CMOS
- 25/30fps@720P
- High speed, long distance real-time transmission
- HD and SD switchable
- OSD Menu, control over coaxial cable
- DWDR, Day/Night(ICR), AWB, AGC, BLC, 2DNR
- 3.6mm fixed lens
- Max. IR LEDs length 30m, Smart IR
- IP67, DC12V

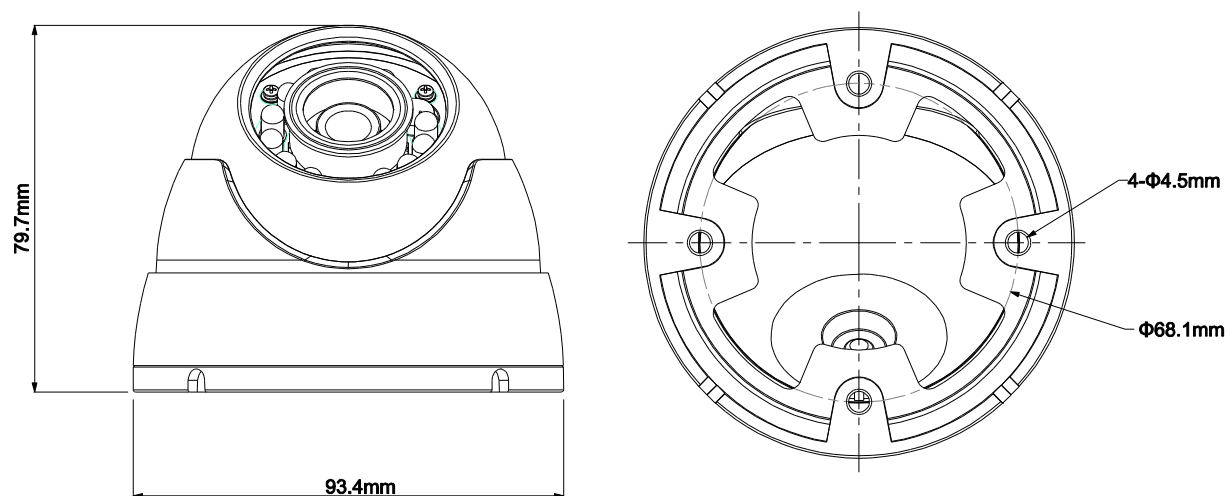

# HDAW1100M36S3

## Technical Specifications

|                        |                                                                                                |
|------------------------|------------------------------------------------------------------------------------------------|
| <b>Model</b>           | <b>HDAW1100M36S3</b>                                                                           |
| <b>Camera</b>          |                                                                                                |
| Image Sensor           | 1/3" 1Megapixel CMOS                                                                           |
| Effective Pixels       | 1280(H)×720(V)                                                                                 |
| Electronic Shutter     | 1/60s~1/100,000s                                                                               |
| Video Frame Rate       | 30fps@720P                                                                                     |
| Synchronization        | Internal                                                                                       |
| Min. Illumination      | 0.05Lux/F2.0, 0Lux IR on                                                                       |
| Video Output           | 1-channel BNC high definition video output/ CVBS standard definition video output (Can switch) |
| <b>Camera Features</b> |                                                                                                |
| Max. IR LEDs Length    | 30m, Smart IR                                                                                  |
| Day/Night              | Auto(ICR)/Color/B/W                                                                            |
| Backlight Compensation | DWDR                                                                                           |
| Noise Reduction        | 2D                                                                                             |
| OSD Menu               | Support                                                                                        |
| <b>Lens</b>            |                                                                                                |
| Focal Length           | 3.6 mm                                                                                         |
| Angle of View          | H: 78°                                                                                         |
| Mount Type             | M12                                                                                            |
| <b>General</b>         |                                                                                                |
| Power Supply           | DC12V±25%                                                                                      |
| Power Consumption      | Max 2.8W                                                                                       |
| Working Environment    | -30°C~+60°C / Less than 95%RH (no condensation)                                                |
| Transmission Distance  | Over 800m via 75-3 coaxial cable                                                               |
| Ingress Protection     | IP67                                                                                           |
| Dimensions             | Φ93.4mm×79.7mm                                                                                 |
| Weight                 | 0.33kg                                                                                         |
| Material               | Metal                                                                                          |
